COLLEGE SAINT-LAMBERT

Nursing Program (180.A0)

Nursing

About the program:

Nursing is a three-year program that blends classroom studies and nursing labs with clinical fieldwork in various hospitals and healthcare facilities.

Our mission is to develop graduates recognized as outstanding nurses providing compassionate and quality care, focusing on the unique needs of patients and their families.

Students experience a variety of Francophone and Anglophone clinical settings such as emergency, medical and surgical care, pediatrics, maternity, ambulatory care, mental health and gerontology. A DEC in Nursing will provide an opportunity to write the provincial licensing exam in order to begin employment as a registered nurse. Our graduates also have the opportunity to pursue continued studies in the DEC-BAC program with a university in Quebec, such as McGill University, Université de Sherbrooke and Université de Montreal.

Certification requirements:

In order to become a practicing nurse, graduates must pass the l'Ordre des infirmiers et infirmières du Québec (OIIQ) licensing examination. Students must also demonstrate their ability to function in French in order to meet the needs of their clientele, thus they may be required to pass an examination set by the Office québécois de la langue française (OQLF).

What makes us unique:

Small innovative program with all the resources of a large nursing program.

Bilingual program with Francophone and Anglophone clinical settings that meet the needs of today's society.

Final semester dedicated to reviewing all theoretical and laboratory material to consolidate knowledge and prepare for licensing exam.

Program based on the McGill Model of Nursing with a Strengths-Based Nursing philosophy.

New laboratory facilities and Simulation Centre.

Minimum Admission Requirements:

Quebec Secondary School Diploma or a level of education that is deemed equivalent by the College. Even if applicants meet the requirement of the Réglement sur le régime des études collégiale, they may be refused admission due to lack of space.

Additional Minimum Requirement

Letter of Intent

Must be eligible to take Français et communication 602-101
